MARKET ANIMAL EAR TAGS: Every animal that is weighed will receive a numbered ear tag at the time of weigh-in. This ear tag number identifies the animal and owner for the livestock shows, auction, and shipping. **At any time, should your animal lose an ear tag, contact the barn chairman for a replacement ear tag. Animals arriving without an ear tag will be dismissed. The barn chair should be notified immediately of the issue and will provide a replacement tag.**

STATE FAIR ELIGIBILITY: See Missouri State Fair Rules www.mostatefair.com in regards to eligibility to show market species at the Missouri State Fair. All exhibitors at the Lincoln County Fair wishing to take market livestock sold at the Lincoln County Fair auction to the Missouri State Fair are required to complete an advance sales agreement. This agreement must be executed at the auction and delivered to the auction superintendent after the sale. Auction checks will be held until buyers confirm delivery of animal with Livestock Auction Superintendent.

EXHIBITOR BACK TAGS are given to exhibitors during the exhibitor meeting approximately 30 minutes prior to the start of each market animal show. Back Tag numbers correspond to the ear tag number of each animal that is weighed for the market class at the fair. This back tag serves several purposes, primarily for the judge to identify animals to mark judging sheets with rank and ribbon. This tag has information that informs show officials of your intentions for the animal following the market class. **EVERY BACK TAG MUST BE TURNED IN ONCE ANIMALS YOU OWN HAVE BEEN SHOWN or by the CONCLUSION OF THE SHOW.** If you only show one animal, mark the back of the tag as desired from options printed. If you have more than one animal in the show, wait until both your animals have been shown and the final destination for the animals have been determined. Then mark both back tags and turn both in as directed. This tag **MUST** be given to the show secretary or designated person before you leave the fairgrounds following the respective market show or your animal will not be placed in the sale order. Any animals that do not have corresponding back tags turned in will also be the responsibility of the owner (YOU) to remove animal(s) from the fairgrounds by date and time specified. If you show one or more specie, you must turn in every back tag for every animal you own/show at the fair.

***If you show more than one species in the market division, inform show officials of which specie you wish to sell following the last market show. This only applies to those exhibitors showing more than one species.**
